

Newtown Parks & Recreation and Economic & Community Development

Newtown Shop Small Decoration Crawl

Looking for a fun, family activity this holiday season?

Businesses & organizations all over Newtown will be putting up winter- or holiday-themed displays in their shops and on Fairfield Hills Campus for everyone to visit and enjoy.

Starting the Week of December 7th, an online interactive map will be published that you can use to visit these displays and experience the winter magic –while supporting local businesses.

Be prepared for displays like epic gingerbread houses, festive trees, or dazzling lights!

Be sure to cast your vote for your favorite display by Saturday, December 19th. Pick up a ballot at your local retailer or at the Community Center, and drop off your ballot at the Community Center (8 Simpson Street).

Access the map at
www.newtown.org/map
OR use this QR Code.

Displays will be up for viewers to enjoy until at least December 31st.
